A few things to consider when signing-up ...

- Trip capacity will be 44 guests.
- Signing up early is better for the following reasons ...
- Condo units will fill-up in increments of 4 guests based on available bedding in the units. (Bedding set-ups vary between condo units. Sign-up early to avoid being shut out late in sign-ups if remaining bedding or roommate doesn't match up.)
- The last several guests to sign-up may incur an additional cost per person if a same gender roommate cannot be found or part of the condo unit remains unoccupied.
- Roster position for trip guests shall be set by RSVPing on this Meetup page or by calling the trip leader (656-7680 area code 607.) Deposit check and signed trip form must be received within one week of RSVP to maintain trip roster position.
- Please indicate on your trip form, the person(s) you wish to be your room mate or condo-mates. Feel free to give your condo group a name!
- A TCSC "Trip Form" is available in the "Files Section" of our Meetup site. Here is a link to that page. <http://www.meetup.com/triplecityesskiclub/files/> (Please scroll down and go to the next page if necessary, to find the trip form.)

Please ...

Make deposit check payable to "TCSC" (deposit amount is \$200 minimum per person)

Mail check and signed Trip Form to:

Triple Cities Ski Club

5219 State Highway 41
Smithville Flats, NY 13841

- It is suggested that you purchase trip insurance to avoid losing money if you have to cancel. www.TravelGuard.com is one good source for trip insurance. Our tour operator for this trip recommends "www.allianztravelinsurance.com." Please do your own research to find the best trip insurance for your needs. It is best to sign up for trip insurance within 2 weeks of paying the trip deposit so that pre-existing conditions are covered. (Some policies allow a 21 day window for that.)

- Cancellations and transfers ...

- Trip cancellation policy ...

- \$200 deposit becomes non-refundable if cancelling after our September club meeting (Sept 8.)

- \$600 becomes non-refundable after Oct 6, 2016

- The entire trip cost is non-refundable after Dec 31, 2016

- Transfer policy ...

- If you need to cancel your trip and you find a person of the same gender to take your place, the amount refunded to you will be the amount you have paid minus a \$200 "change fee."
