A few things to consider when signing-up ...

- Trip capacity will be 32 guests.
- Signing up early is better for the following reasons ...
- Hotel rooms will fill-up in increments of 2 guests based on available bedding in the rooms. (Bedding

set-ups vary between hotel rooms. Sign-up early to avoid being shut out late in sign-ups if remaining bedding or roommate doesn't match up.)

- The last several guests to sign-up may incur an additional cost per person if a same gender roommate can not be found or half of the room remains unoccupied.
- Roster position for trip guests shall be set by RSVPing on this Meetup page or by calling the trip leader (656-7680 area code 607.) Deposit check and signed trip form must be received within one week of RSVP to maintain trip roster position.
- Please indicate on your trip form, the person(s) you wish to be your room mate or condo-mates. Feel free to give your condo group a name!
- A TCSC "Trip Form" is available in the "Files Section" of our Meetup site. Here is a link to that page. <http://www.meetup.com/triplecityesskiclub/files/> (Please scroll down and go to the next page if necessary, to find the trip form.)

Please ...

Make deposit check payable to "TCSC" (deposit amount is \$200 minimum per person)

Mail check and signed Trip Form to:

- It is suggested that you purchase trip insurance to avoid losing money if you have to cancel. <http://www.TravelGuard.com> is one good source for trip insurance. Please do your own research to find the best trip insurance for your needs. It is best to sign up for trip insurance within 2 weeks of paying the trip deposit so that pre-existing conditions are covered. (Some policies allow a 21 day window for that.)

• Cancellations and transfers ...

- Trip cancellation policy ...
- \$200 deposit becomes non-refundable if cancelling after our September club meeting (Sept 7.)
- \$600 becomes non-refundable after Oct 5, 2017
- The entire trip cost is non-refundable after Dec 31, 2017

• Transfer policy ...

- If you need to cancel your trip and you find a person of the same gender to take your place, the amount refunded to you will be the amount you have paid minus a \$200 "change fee."
